Traditional Dental Insurances:

- Waiting period often 6 months or longer until benefits are in effect
- Maximum coverage averages \$500-\$1500/year
- Complicated and cumbersome insurance claim process and delay in reimbursement by insurance companies
- Variable levels of coverage for dental treatment, and often little or no coverage on several procedures
- Expensive monthly premiums on top of the copay

Lake Dental Care Plan:

- **NO** waiting period, effective immediately
- **NO** annual maximum limits on coverage
- **NO** waiting period for claims to process, benefits effective immediately
- One low annual fee of \$285 for adults and \$189 for children (13 and under)
